

INTERNATIONAL SHOREBIRD SURVEY

WANTED!!!!

SHOREBIRD ENTHUSIASTS IN THE CARIBBEAN

**Do you already carry out counts for the
Caribbean Waterbird Census?
Are you a shorebird fan with an interest
in supporting their conservation?**

JOIN THE INTERNATIONAL SHOREBIRD SURVEY!

WHY COUNT SHOREBIRDS?

Shorebird data generated through regular surveys form the basis for conservation and management of species and their habitats

HOW TO PARTICIPATE?

- ☐ Know your shorebirds
- ☐ Select a key shorebird site
- ☐ Implement **regular** surveys at your site during the migration season
- ☐ Complete the ISS site forms
- ☐ Upload your data to eBird Caribbean, choosing the CWC Point Count Protocol and **share** the checklist with "ISSData".
