

HOW WELL DO YOU KNOW CARIBBEAN BIRDS?

INSTRUCTIONS

- You may answer the questions by yourself or with a group of friends.*
- You can choose one answer from the list i.e. A. or B. or C. or D. OR True or False.
- Try to answer as many questions as you can without searching the internet or bird books you may have at home.
- Remember to have fun! This is not being graded.

*If playing with a group of friends, why not form teams and set a limit on the amount of time each team is given to answer each question? Of course, you will have to designate **one** person as the 'host' who will read the questions and keep score.

LET'S BEGIN!
