Olive-capped Warbler

Bare-legged Owl

Imperial Parrot

North America

Welcome to the West Indies!

171 Endemic Birds in the West Indies

Some birds are endemic to just one island or country. The numbers on this map tell you how many species of endemic birds are found in only one country.

Other birds are endemic to a group of islands and can be found across a region.

Cartography by: Alison D. Ollivierre

Oh no, these birds are lost! Can you help them find their way home?

Draw a line from each bird to the island where they live.

White-fronted Quail-Dove
