Grand Cayman Bullfinch

Cuban Blackbird

Kalinago Wren

Welcome to the West Indies!

Some birds are endemic to just one island or country. The numbers on this map tell you how many species of endemic birds are found in only one country.

Other birds are endemic to a group of islands and can be found across a region.

Oh no, these birds are lost! Can you help them find their way home?

Draw a line from each bird to the island where they live.
